

EVENT: Circuit Crackdown

RULES AND REGULATIONS

General Guidelines

- Teams must consist of two members. Individual participation is also allowed.
- All participants must register before the event begins.
- Only top-scoring participants/teams will advance to the next round.

Round 1: Brain Battle

- Duration: 20 minutes.
- Participants must answer questions on paper.
- Each correct answer carries 1 point. No negative marking.
- Required materials: Question papers, answer sheets, pens.

Round 2: Volt Venture

1. Team Composition

Each team must consist of **3–4 members**, with one designated as the team leader.

2. Pitch & Time Limit

Teams will get **5 minutes to present** their idea and **2 minutes for Q&A** with judges.

3. Idea Criteria

The project must be **innovative, original, and related to Electrical/Electronics domains** (e.g., power systems, renewable energy, IoT, automation).

4. Judging & Conduct

Evaluation will be based on **innovation, feasibility, and presentation**. Judges' decision will be **final**, and any malpractice leads to disqualification.

Event Requirements

- Registration desk setup with attendance sheets.
- Technical setup including laptops, projector, and internet.
- Volunteers and judges for smooth execution.
- Certificates and prizes for winners.
