ADVITIYA 2024 – 25

EVENT NAME:

ELECTRATHON <u>RULES &</u>

<u>REGULATIONS</u>

General Guidelines:

- Participants can participate individually or as a team.

- Teams must consist of two members. Each member should register individually.

- There will be a specific time limit for each round.

- Any team found cheating will be disqualified.

Round 1: Technical Quiz

- The first round will consist of technical questions.

- Teams will have 30 minutes to complete the quiz.

- Only the top-scoring teams will qualify for the next round.

Round 2: Circuit Debugging

- The second round involves electrical and electronic circuit debugging.

- Each circuit has a different time limit, and correct answers earn points.

- The winning team will be chosen based on their points.

Note: In events where the number of participants is fewer than 15, first prize will not be awarded. In these cases, only second and third prizes will be presented.
