

CareerLabs

One of India's leading EdTech companies, [CareerLabs](#) has gained the trust of tens of thousands of students and professionals over a short span of time. Now a household name in the Indian online learning space, CareerLabs has also pioneered the nation's very first Profile Building platform in its unique mission to help budding professionals enhance their skill sets and create the best possible profile for landing their dream job. Recently, CareerLabs has successfully partnered with pharmaceutical company Dr. Reddy's and IT services provider Tech Mahindra to offer upskilling courses that enhance the employability of fresh graduates.

CareerLabs is also the official partner of AICTE for the NEAT 2.0 Initiative under the Education Ministry. Access course details
