Computer Society of India(CSI) –Educational Institution Member Computer Society of India(CSI) – Student Chapter

## **KLEIT-CSI STUDENT BRANCH**

Welcome to K.L.E.Institute of Technology CSI – STUDENT BRANCH

KLEIT-CSI Student Branch is approved by Computer Society of India, Chennai. There are 150+ student members in the KLEIT-CSI Student Branch. The Aim of KLEIT-CSI Student Branch is to enhance Technocratic values of the Students. The Educational Institution Membership number is I01356.

### **About COMPUTER SOCIETY OF INDIA:**

**Computer Society of India** is the first and largest body of computer professionals in India. It was started on 6 March 1965 by a few computer professionals and has now grown to be the national body representing computer professionals Through the initiatives of **Professor Rangaswamy Narasimhan**, the **first President**, **CSI** has been in close liaison with **International Federation for Information Processing (IFIP)** since its inception in 1965, when observers from India attended the IFIP Council meeting.

CSI encourages and assists professionals to maintain integrity and competence of the profession and fosters a sense of partnership amongst members. Besides the activities held at the Chapters and Student Branches, the Society also conducts periodic conferences, seminars. At present it has 72 chapters across India, 512 student branches, and more than 100,000 members. CSI was established on 06<sup>th</sup> March, 1965 by a few computer professionals and has now grown to be the national body representing computer professionals.

### **Vision**

The Computer Society of India is a non-profit professional society and meet to exchange views and information learn and share ideas. The wide spectrum of members is committed to the advancement of theory and practice of Computer Engineering and Technology Systems, Science and Engineering, Information Processing and related Arts and Sciences.

### **Mission**

- Facilitate Research, Knowledge Sharing, Learning and Career Enhancement among all categories of IT professionals.
- Inspire, nurture and assist students to integrate into the IT community.
- Percolate benefits of IT advancement to all sections of Indian Society.

### **Objectives:**

- Exposure with Industrial Professionals to groom a career path.
- Unifying Technical Reviews with the Recent Technologies.
- Certification and Training Programs at Discounted Rates.
- A Great Chance to be nominated as the Best Student Paper in CSI Communications.
- Opportunity to be nominated as Young IT Professional Award.
- Inducing and Inculcating Leadership Qualities.
- Accessibility for Campus Placements.

### **Outcomes:**

- Students will be recognized by CSI membership identity card.
- Student's knowledge will be enhanced through technology update activities under CSI.
- Students will be able to publish and access technical articles through CSI magazines, newsletter and conferences.
- Students are motivated for research activities.
- Leadership and team work qualities will be developed among students.

### **CSI Publications**

CSI Adhyayan – Quarterly digital magazine only for Students  
CSI Digital Library – Storehouse of papers presented in CSI technical events
