YOUTH RED CROSS

The Youth Red Cross (YRC) in KLE institute of technology is one of the avenues among NSS to the students to be pursued under Personality and Character Development Program.

OBJECTIVE OF YRC

- To conduct social and health awareness programmers.
- Awareness on the care of their own health and that of others.
- To encourage the students to extend their humanitarian services to the society.
- To offer First Aid Training to all the YRC volunteers.
- To develop leadership quality among the students.
- The understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern, to fulfill the same.
- To offer First Aid Training to all the YRC volunteers.
- To inculcate in the Youth of our country.
- To understand and acceptance of civic and human responsibilities

GOAL OF YRC

The Indian Red Cross Society aims to inspire, encourage and initiate at all times, all forms of humanitarian activities so that human suffering can be minimized, alleviated and even prevented, thus contribute to creating a more congenial climate for peace

REGULAR ACTIVITIES OF YRC

- Blood Donation Camp.
- Blood Grouping and Hemoglobin Estimation.
- Organ donation camp
- Eye donation camp
- Practice of Health habits.
- Covid vaccination camp
