OPEN ELECTIVES FOR 7th SEMESTER STUDENTS

Procedure to select the course:

- This is a one-time exercise. Students have to be very careful in choosing the elective.
- Students are advised to study the syllabus, name of the faculty handling and can even approach any faculty to get to know the scope of the course they wish to opt for. Once chosen they will not be permitted to change their elective.
- **The facility would be open for a limited period of time between 08.30 am to 6.00pm from 19th September to 21st September 2022.** All the students have to register within the given time only.
- There are Fixed number of seats in each course of **open elective offered on the basis of first come first served basis**. Once the seats for a course are full, it will no longer be available. Students will have to choose from the remaining available electives.
- Detailed Instructions for registering for the Open Elective are given below:
 - a) Login using your email id with <your usn>@kleit.ac.in domain. For those who did not have this email earlier, it has been created now. For such newly created email ids, the password is your USN in upper case only. You need to change it after first login. Remember only this email is permitted.
 - b) Fill the requisite fields.
 - c) On the home page www.kleit.ac.in, you will get the link to select open electives offered by departments.
 - d) The subjects offered are listed there. Carefully read the syllabus of the subject and select one.
 - e) You will be asked to confirm your selection. Think again, finalise the open elective subject you would like to register and freeze it.
 - f) Once freezed you will not be able to change it.
 - g) You can register only once and for one subject only.
 - h) You will not be permitted to change the allotted open elective after the due date for any reason.
