Department of Computer Science and Engg.

ADVITIYA 2022

Dig Trezers Rules

- Team can have maximum of two participants.

- The Dig Trezers consists of 3 rounds.

- First round will be **ELIMINATION** round, Second round will be **FIND THEKEY** and the Third round will be **TREASURE HUNT**.

- The first round **ELIMINATION** will have riddles. Participants who solve it correctly will qualify the first round and enter the second round i.e., **Find the key**.

- The Second round **FIND THE KEY** consists of 4 questions. Two logical questions and 2 non-technical questions.

- Each answer acts as a code. Four codes together become one key.

- The correct key helps the participants to qualify the second round and enter the third round i.e., **Treasure hunt**.

- The **TREASURE HUNT** consists of 15 type riddle questions.

- The answer of each riddle will be in the form of image.

- Participants need to crack all the questions.

- Participants need to combine all the images from Treasure round. **Jackpot** is hidden behind those images.

- Solving this **JACKPOT** will complete the **TREASURE HUNT**.

- Time limit will be announced before the start of the game.
