

OPEN ELECTIVES FOR 7th SEMESTER STUDENTS (AY 2023-24)

Procedure to select the open elective course:

- This is a one-time exercise. Students have to exercise care and caution while choosing the open elective.
- Students are expected to be aware of the VTU rules regarding their eligibility for an open elective from programs other than their own program.
- Students are advised to study the syllabus, name of the faculty handling and can even approach any faculty to get to know the scope of the course they wish to opt for. Once chosen they will not be permitted to change their elective.
- **The facility would be open for a limited period of time between 08.30 am to 6.00pm from 18th August to 20th August 2023.** All the students have to register within the given time only. To address any possible issues a **Mock test of the process is scheduled on 16th August 2023 and the students are informed to exercise the open elective option entry between 08:30 am to 04:00 pm.** The students have to approach their dept HoD or HoD, CSE (hod_cse@kleit.ac.in) and get their issues resolved before 4.00pm on 17th Aug 2023. They should be ready to exercise their option before 8.30pm on 18th Aug 2023. Grievances raised after the start of the process on 18th Aug. will not be entertained.
- There are a fixed number of seats in each course of open elective offered on the basis of first come first served basis. Once all the stipulated seats for a course are full, it will no longer be available. Students will have to choose from the remaining available electives.
- Detailed Instructions for registering for the Open Elective are given below:
 - a) On the home page www.kleit.ac.in, you will see the link to select open electives offered by departments.
 - b) The subjects offered are listed there. Carefully read the syllabus of the subject and select one.
 - c) Login using your email id with <your usn>@kleit.ac.in domain. Remember only the official KLEIT email is permitted.
 - d) Fill the requisite fields.
 - e) You will be asked to confirm your selection. Think again, finalise the open elective subject you would like to register and freeze it.
 - f) Once you freeze a subject you will not be permitted to change it.
 - g) You can login only once and select one subject of your choice. You will not be permitted to login again for this purpose after pressing the submit button.
 - h) You will not be permitted to choose/change the allotted open elective after the due date for any reason.
 - i) If you fail to select an open elective of your choice through this process within the stipulated period, you will be allotted a subject by the college which will be binding on you.
